International Congress in Greece

"Root 2 Crown"

SOCRATES 1

SOCRATES 2

08.00-09.00

REGISTRATIONS

09.00-11.00

SESSION 3

The Italian Job: Unlocking the Endodontic Access with Style / **Cerutti F., Louloudiadis A.**
Calcium Hydroxide demystified / **Retsas A.**
Obturation with bioceramics / **Cardinali F.**

Sponsored by META BIOMED

09.00-11.00

SESSION 7

Mastering anterior restorations with the Style Italiano touch / **Manauta J.**
Adhesion and Bioceramics: Challenge or reality? / **Tosco V.**
Adhesion and substrates a Styleitaliano clinical overview / **Putignano A.**

Sponsored by solventum

11.00-11.30

COFFEE BREAK

11.30-13.30

SESSION 4

Modern shaping in Endodontics / **Aranguren J.**
Retreatment strategies to maximise efficiency / **Gorni F.**
What alternatives do we have when retreatment is no longer cost-effective? / **Bertani P.**

Sponsored by perfect

11.30-13.30

SESSION 8

The Root 2 Crown approach for successful dental rehabilitation / **Martignoni M., Grandini S.**
Digital teeth, real smiles: The power of collaboration in digital ceramic rehabilitations /
Papavasileiou G., Xydas P.

13.30-14.30

LUNCH BREAK

14.30-16.30

SESSION 5

Single-Visit Endodontics: Evidence Over Myths / **Pinto N.**
Laser assisted endodontic treatment: Minimalism from Tradition to the Future / **Ozyurek T.**
The fate of cracked teeth: From diagnosis to prognosis / **Habib M.**

Sponsored by Bon dent

14.30-16.30

SESSION 9

Predictability of treatment planning in complex restorations / **Chronopoulos V.**
Next Gen Concepts for Digital Workflow in Full-Arch Implant Dentistry / **Papaspnyridakos P.**
The use of magnification in Endo-Restorative Dentistry / **Cabiddu M.**

Sponsored by ZEISS

16.30-17.00

COFFEE BREAK

17.00-19.00

SESSION 6

Anterior indirect solutions in aesthetic areas / **Ragucci G.**
Intentional replantation in the esthetic zone / **Churlinov M.**
How to optimally use the MAP system in all clinical scenarios / **Tonini R.**

Sponsored by MAP

17.00-19.00

SESSION 10

Endo - Implant Algorithm. The Digital Perspective / **Oikonomou Ch., Manolakis AI**
Single missing tooth restorative dilemmas and solutions / **Petridis L.**
Chair side CAD-CAM restorations / **Mourouzis P.**

Sponsored by Vitanapoulos

19.30-23.30

COCKTAIL PARTY

CONGRESS PROGRAMME

SUN | 19 OCTOBER

09.00-11.00

SESSION 11

Vital pulp treatment / **Simon S.**

Root canal in Primary teeth: Current trends and clinical best practices / **Kaloustian M., El. Hachem C.**

Periapical surgery in anatomically challenging situations / **Carrieri G.**

11.00-11.30

COFFEE BREAK

11.30-13.30

SESSION 12

Rotary versus Reciprocating instrumentation / **Ruiz Sanchez X.F., Meirinhos J.**

Crown lengthening in the esthetic zone / **Guglielmi D.**

Management of teeth with severe curvatures. Hyflex for advanced Users/ **Tsivos B.**

Sponsored by COLTENE

13.30-14.30

LUNCH BREAK

14.30-16.30

SESSION 13

Advanced management of endodontic mishaps / **AboHalima A., El Naggar I.**

The separated instrument removal / **Zaafrany M.**

The use of bioceramics in endodontic complications / **Shawky A.**

Sponsored by BIALEN

SOCRATES 2

09.00-11.00

SESSION 14

Clear aligners for the general practitioner / **Gkiaouris I.**

Occlusal protection for tooth longevity / **Tsoutis K.**

The essence of facial beauty / **Perisanidis C.**

Sponsored by UNICON

11.30-13.30

SESSION 15

Restorative design for tooth preservation, through an interdisciplinary approach /

Tsourounakis J., Viquez J.

Elements of dental aesthetics / **Kouros P.**

Sponsored by UNICON

14.30-16.30

SESSION 16

Take your intraoral scanning procedures to the next level / **Tasopoulos Th.**

Restorative indications and contraindications for tooth longevity / **Foschi F., Giovarruscio M.**

Collaborative Approach Between Endodontist and Surgeon in Managing Cysts

Involving Multiple Teeth / **Jadach R.**

Sponsored by DELTA DENT

4th Style Italiano Family

International Congress in Greece

"Root 2 Crown"

HIPPOCRATES

HERODOTUS

DEMOCRITUS

PLATO

THALES

10.00-12.00

KERR

Austenitic VS Martensitic files: Which is the best choice in our daily practice?
Gorni F.

PD DENTAL

MTA vs Putty bioceramic materials: The clinical guide for choosing the right material in different clinical scenarios.
Tonini R.

BONDENT

The Hybrid Protocol with Flash file
Pinto N.

COLTENE

Rotary Instrumentation with Hyflex OGSF EDM and Jeni Canal Pro AI Endo motor
Tsivos B.

C-ROOT

Advanced Techniques in Obturation and Management of Open Apices!
Nagy Sh.

13.00-15.00

META

Obturation for Patient-centered endodontic outcomes: Improve your skill and outcomes with Warm Gutta Percha and Cold Gutta Percha with Bioceramic sealer
Cardinali F.

ANGELUS

Beyond Gutta-percha. Bioceramics for sealing, repair and success.
Al-Attar Sh.

D-PERFECT

Mastering Retreatment: Practical Skills with Retreaty.
Chopra V.

COLTENE

The "stamp" technique for restoring posterior occlusal surfaces
Tolidis K.

DENCO DENTAL

Traditional or Conservative Endodontics When, How and Why?
Habib M.

16.00-18.00

ZARC

Shaping with Dual wire and Nanocoating: New technologies in Endodontics
Aranguren J.

DENCO

Shaping and cleaning the root canal system. Simple, precise, predictable
Tsompanides G.

D-PERFECT

Metallurgical Innovation and Clinical Performance in Modern Endodontics
Tonini R.

SOLVENTUM

Essential lines with bulk and body in Styleitaliano way
Putignano A.

EIGHTEETH

Shaping under control and ledge management using the new E-style rotary files: Make it feasible, teachable and repeatable
Cardinali F.

10.00-12.00

AVALON

Calcium silicate materials: Unleash unlimited potentials.
Shawky A.

SHOFU

Current data on reinforced restorations of post-endo residual dental tissues
Kouros P.

SEPTODONT

Hands-On with Biodentine XP: Simplifying Clinical Protocols in Restorative Dentistry
Tosco V.

STYLE ITALIANO ENDODONTICS

The art of Isolation
Cerutti F., Khalifa Kh.

ADM

Bone regeneration and immediate implant placement, with demonstration of immediate implant placement of "TRI Vent Implant" and simultaneous implant-based regeneration using biomaterials from "Purgo Biologics" and tools from "Reiko Dent".
Vilos G.

13.00-15.00

NEOLIX

EDM-Enhanced Instrumentation: The EDMax System by Neolix
Louloudiadis A.

ORODEKA

Root canal shaping and obturation. A clinician's guide to improve efficiency and safety
Tsompanides G.

MANI

Flex Your Endo: JIZAI for Confident Shaping
Al-Attar Sh.

YALCO

Use of nitrous oxide in dentistry
Tolidis K.

MEDICAL SYSTEMS

Teach me how to get the most out of a CBCT examination
Siska I.
